

Armas Pharmaceuticals Return Goods Policy Terms (“RGP”)

Armas Pharmaceuticals (“Armas”) has partnered with Inmar Intelligence (“Inmar”) to manage expired product returns. To initiate a return of expired Armas product(s), please visit Inmar’s website at <https://clsnetlink.com>. This will be required to upload a debit memo in PDF format and will be the most efficient way to obtain your return label and track the progress of your return. Costs incurred by Armas due to failure to follow these instructions, or for the return on non-Armas product(s), will be deducted from the credit issued.

Customer Service representatives at Inmar are available to answer questions you may have on how to return expired product at [1-800-967-5952](tel:1-800-967-5952).

- All eligible requests for expired or recall related returns must contact Inmar.
- External cases must show the return authorization number and be marked “returns”. Inmar does not issue call tags/return shipping labels, therefore it is the customer’s responsibility to provide their own shipping label.
- Armas Pharmaceuticals reserves the right to destroy, without credit or recourse, all unauthorized products returned.
- No shelf-stock adjustment will be given for returned goods on allocation for destruction.
- Returned product will be verified by Armas and the final credit will be calculated based upon actual product received, not by products listed on customer debit memo. No cash deductions from any invoice are accepted. Credit memos will be issued and must be included on payment remittance. All reimbursements will be in the form of an account credit memo only.
- All Return Authorization (RA) requests should include:
 - Returning customer name, DEA or HIN, contact name & email
 - Product name and product description
 - NDC#, Lot #, Expiration date, and invoice/debit memo #
 - Reason for return
 - Qty to be returned

Product Valuation of Returns & Credit Memo Policy

- Credits for all products purchased on a direct basis will be calculated at the lowest net price, less any promotional credits including but not limited to:
 - Shelf-stock adjustments
 - Rebates
 - Admin fees
 - Off-invoice discounts associated with the lot number of the returned product.
- Credit for all product purchased on an **indirect** basis must be returned through the wholesaler or distributor of purchase. Indirect returns will be credited through the wholesaler or distributor of purchase at the lower of current indirect price or average net indirect price, at the discretion of Armas. Product pricing and contract ID must be provided upon credit request. Armas reserves the right to make the final determination of credit value.
- Credits are based on validated quantities received. Discrepancies will default to the physical count received by the Armas designated return solutions provider.
- Products sold on a non-returnable basis such as short-dated products or products sold on a close-out basis.

Non-Saleable Return Item Criteria

- Products damaged in shipping (accompanied by signed bill of lading noting damage) if reported to Armas customer service within two (2) business days of receipt and returned within ten (10) days of receiving call tags from Cardinal 3PL.
- Concealed damage claims made within ten (10) business days of receipt and returned within thirty (30) days of pre-paid call tag to Cardinal 3PL. Concealed damages reported *after* ten (10) business days of receipt are subject to a 25% processing fee.
- Shipments must be sent within thirty (30) days of pre-paid shipping label receipt.
- Products with less than six (6) months remaining shelf life that are not more than twelve (12) months past expiration date should go directly to Inmar.

Non-Creditable Return Item Criteria

- Returns received more than forty-five (45) days from date of return authorization approval.
- Products sold on a non-returnable basis including but not limited to, free goods, samples, promotional short-dated sales and closeout sales of discontinued products.
- Returns of excess inventory resulting from inadequate customer inventory controls.

- Products with lot number or expiration date missing, covered, removed or unreadable.
- Products damaged while in the customer's possession at warehouse or store level.
- Products returned without RA approval/authorization.
- Private label products.
- Products damaged or deteriorated due to conditions beyond manufacturer control, such as improper storage or handling (heat, stored under improper conditions or exposed to fire, smoke or water).
- Product not in manufacturer sealed original container (no repackaged products, prescription boxes, etc.)
- No partials. Non-serialized items will not be accepted.
- Products which are more than twelve (12) months past the expiration date.
- Products that have been discontinued for more than one (1) year.
- Products purchased for federal and state governmental customers for stockpiling purposes shall be final and non-returnable.
- Product involved in distressed, sacrifice, fire, or bankruptcy sale.

Procedure for Returning Products to Inmar (Expired or Non-Saleable)

1. Request for RA (box labels) can be made by any of the below methods (*select one*):
 - Accessing the Inmar website (you will need to upload a pdf copy of your debit memo).
 - Email your debit memo to rarequest@inmar.com. Be sure to include NDC#, Lot number, and expiration dates assigned to each item. Requests for credit must come with an original proof of purchase. Armas reserves the right to value credit at lowest possible contract price standing in standard instances.
 - Fax your debit memo to Inmar at 817-868-5343
2. Upon receipt of an RA (Return Authorization label), alongside with customer-created shipping label, actual returns are to be forwarded to the processing facility at the following location:

CLIENT NAME c/o Inmar Rx Solutions Inc
